Tract Income Level: Low Moderate Middle Upper

Is Project Located in: Opportunity Zone TIF District HUB Zone

PROJECT BACKGROUND

Project Narrative: Describe the project's primary purpose, goals, target beneficiary group, and location of service/beneficiary. Provide links to annual reports, grants and/or community development plans that address project need.

Be certain to explain how the project addresses one or more of the following areas:

- Affordable Housing for low or moderate-income individuals (e.g. first-time home buyer programs, construction or rehabilitation of multi-family units)
- Community services targeted to low- or moderate-income individuals (e.g. health care facilities, day cares, educational programs, etc.)
- Activities that promote Economic Development by financing or providing technical assistance to start-ups, small businesses or farms
- Activities that revitalize or stabilize low- or moderate-income areas, or middle-income geographies designated as distressed or underserved (e.g. activities that attract new or retain existing businesses or residents, activities that help meet an essential community need such as essential infrastructure or public safety, etc.)
